

Message from the Headteacher

We've had a fantastic start to the school year, with many new faces and lots of smiles all around. The children have settled in wonderfully, managing their behaviour impeccably, and we are especially pleased to see their growing sense of independence. It's been a joy to watch them engage so positively with their learning and with each other.

We look forward to building on this great start as the year progresses!

What's been happening at school?

This half term has been filled with joy and excitement as we welcomed back our returning students and embraced new faces in our community! The children have truly thrived in their learning experiences. Our phonics sessions have been brought to life through beloved stories like *Little Red Riding Hood* and *The Gingerbread Man*, making the learning process engaging and fun. In our topic work, we explored "My Special People" and the fascinating world of zoos, sparking curiosity and creativity. In numeracy, the children have been busy matching and comparing items, practicing their counting skills, and discovering shapes. Daily activities like 'Bucket', dough disco, sensology, squiggle wiggle, and movement breaks have kept our little ones energized and enthusiastic. It's heartwarming to see their smiles and hear their laughter as they engage in these enriching experiences!
